

UCSB Arts & Lectures Cancels Remaining Events of 2019-2020 Season

With heavy hearts, UCSB Arts & Lectures is canceling all 29 remaining events in our 2019-2020 Season in accordance with direction from local, national and international public health authorities regarding slowing the spread of the novel coronavirus (COVID-19), and in conjunction with [UC Santa Barbara's decision](#) to limit campus operations through spring quarter. This decision has been made with the health and well-being of our students, patrons, artists, staff members and community as our top priority.

We are working as quickly as possible to issue refunds. We greatly appreciate your patience as we arrange refunds for thousands of ticket purchases. Please allow approximately four to six weeks for these transactions to be processed. Note that A&L's Campbell Hall Box Office is currently closed to walk-up. Please direct questions to info@artsandlectures.ucsb.edu and we will respond to emails as soon as possible.

Share your support. Many of you have expressed concern about the financial impact of these cancellations and we thank everyone who has inquired about donating the value of their tickets to support the artists and Arts & Lectures. At this time, due to the high volume of refunds we are processing, we cannot automatically change your refund into a donation; however, we invite you to extend your support by [making a donation online](#).

We look forward to the time when we are again able to come together to enjoy the power of live performances and lectures.

In the meantime, A&L remains committed to our mission to educate, entertain and inspire. During this time of social distancing, we are working to establish new ways to bring arts and culture to Santa Barbara. **Connect with us. Go to ArtsAndLectures.UCSB.edu and sign up for our email list to receive new content, clips from the A&L archive and a curated selection of arts and ideas.**

We hope these actions will make a meaningful difference as we all face this difficult situation together. We appreciate your patience and support, and look forward to the time when Arts & Lectures can be a source of connection for you in our resilient community.
